About Centre for Distance Education

Since 1979, SNDT Women's University shifted to dual mode of education-face to face as well as distance mode. The CDE was established mainly to empower women through higher education. The CDE is offering several certificate/diploma/degree/post-graduate courses in various disciplines to lakhs of girls/house wives/working women who could not complete their education (not even SSC/HSC), but are strongly motivated to upgrade their educational and / or professional qualifications.

In last 34 years, more than 3 lakhs women are benefited by this facility and improved their careers in life. Last year more than ten thousand women are registered to pursue their studies in various courses.
